19/10/11

Dear Parents and Carers,

I am writing to remind you that this year we have once again subscribed to the Spanish website called Babelzone. There are lots of interactive games, stories and songs that are suitable for children throughout primary school and even above. There is also a special section “Para los peques” which has activities for children in Reception to Year 2. The website follows the same QCDA units that we are using in Years 3 to 6 which means that the children will be able to follow up their Thursday’s Spanish lesson with games or stories or printed out worksheets. If they are able to access the website regularly I am sure they will make even more progress in Spanish. This term Key stage 2 will be covering unit 17- las cuatro estaciones and unit 18- los planetas.

To access this website you will need to go to the above address and type in the following details;

User name: streathamwells

Password: espanol 123

Please note there is a space between espanol and 123.

Thank you for supporting your child with their Spanish. I hope you enjoy the website,

Abi
